eco drama

COME SEE OUR NEW ORCHARD BENCH, TOO!

Join us for the launch of The Pollok Community Orchard Cookbook & pick up your free copy!

Designed to inspire cooking and baking with fruits grown in our local orchard, this booklet features recipes and stories gathered from community members across Greater Pollok.
1-1.30pm / free, no booking required

Orchard Pests & Diseases Training

Join Lynsey Payne from Appletreeman nursery in Perthshire for a session on common pests and diseases in the Scottish orchard. This workshop will explore chemical-free practices and nature-focused strategies to encourage biodiversity and balance within orchards and gardens. **1.30-3.30pm / free, but booking required - please email suzanne@ecodrama.co.uk**

If you would like further information, have access needs or would like support to attend this event, please email suzanne@ecodrama.co.uk
